Destiny 2:

Atlas' Muscle

(Muscle Fiber-covered Glaive)

“Log 438: Recent attempts to bind Hive bio-elements to human DNA has proven disastrous. Preliminary attempt to bind said bio-elements to weaponry shows... promise. Submitting request for further test materials to Director Lakshmi-2. I expect that she will have some interest when she isn't focused on that device of hers.” – Recovered Future War Cult data logs.

Halo:

Forerunner “Ascent” Laser

(Canon compliant version of Forge Monitor editor function)

“The Z-990 Directed Energy tool encapsulates an item in a gravity field that allows the user to manipulate the environment without the use of heavy machinery.” -ONI Briefing Packet

Genshin Impact:

Destined Fate

(Guaranteed 5-Star Redeemable)

A gem bound to the bearer's wish. If one holds it to their heart and keeps their desire in mind, the stone shall break fate and summon forth that which they yearn for.

Hogwarts Legacy:

Lingua Potion:

(Translation Potion)

A concoction that allows one to understand a single language for its duration. A popular purchase by tourists to other Magical nations but expensive due to rarity of ingredients.
